Services & Conditions for submission of an IPR application

PIC, UCOST has been established as a single window IPR facilitation Cell with an aim of providing specialist services supporting all aspects of Intellectual Property Rights in the state of Uttarakhand. It also facilitate universities, industry, government departments and R & D institutions for patent filing and searches, GI registration, copyrights, Industrial design, Electronic circuit copyrights, New Plant varieties (NPV's) registration etc. Further, PIC also provide technical assistance in the training and capacity building in post patent filling activities i.e. technology valuation & audit, technology licensing and technology transfer & commercialization.

PIC, UCOST provides technical support with regard to filing of any IPR application. To submit an IPR application for technical assistance, followings points must be taken into consideration.

1. All the application must be address to:

The Director General,
UTTARAKHAND STATE COUNCIL FOR SCIENCE & TECHNOLOGY (UCOST).
Department of Science & Technology, Government of Uttarakhand
Vigyan Dham, Jhajra, Dehardun 248007.

2. The application must be duly signed with proper stamp of the Head/Principal of the institution in case of Government institutions/universities.
3. PIC, UCOST only provide technical assistance for filling of any IPR application. It must be taken into consideration that PIC shall not bear any types of expenses for the filing of the IPR application to their respective national/international offices.
4. In case of Government Institutions/universities, the application may be forwarded to TIFAC for further technical and financial assistance, if it is found to be meeting the criteria at PIC, UCOST and proper consent from the applicant.
